Chairman's Letter

We are looking forward to the 2012 festival and I welcome the participants, the expert adjudicators and all the members of the audiences.

We were very pleased to receive the following comments from Martyna Jatkauskaitė (Class C finalist in 2006 and winner in 2007) who has recently won the prestigious Gold Medal at the Guildhall School. *'My path to the music Olympics started at your wonderful festival, therefore I have the greatest memories of being a participant there and wish you all the best for your future.'*

Please take care when filling in your entry forms, A key member of our team has moved to Scotland and we have to modify our entry procedure. Be careful to send the size of envelope we have asked for. Also please note the slightly earlier than normal entry date.

All good wishes for 2012

Marian Creaser
